

**WEB CONTACT INFORMATION PERMISSION
THE SHIRE OF DARACH, CAID**

In accordance with the SCA, Inc. Board of Directors, SCA web pages must have written permission from members before the members' contact information can be posted on the web. Please complete all of the following sections, and indicate which information may be included on the web.

- For example, to be listed as a contact on the web, such as hosting an A&S workshop or a Fighter Practice, you may have just your Modern and SCA Names, plus an email address if appropriate.
- You are not required to use a phone number on the web page. If you grant permission to include your phone number, the web will indicate no calls after 9 p.m.
- If you grant permission for your address to be used, it will only be used on a map to your workshop or practice. It will not be posted next to your name and phone number.

This permission does not apply to the Shire Newsletter. Granting permission (or withholding permission) for contact information in the *Oak Leaf* should be arranged with the Chronicler.
